

The Ozone Action Day Program

Employers

Examples of options for your Ozone Action Day response program:

- **Notify employees through various means**
- **Encourage ride-sharing for commuters**
- **Encourage employees to bring lunch to reduce mid-day traffic**
- **Support telecommute/work at home where feasible**
- **Employ flexible work hours to minimize “rush hour” traffic**
- **Provide information (e.g. Ten Tips) to employees on what they can do as individuals**
- **Any other measure that will reduce vehicle emissions**
- **Track response of your employees to assist in measuring emission reduction benefits (technical assistance provided by CRPC)**
